

New Year

From the Board

The Board of Directors would like to wish all our Members and Staff a Happy New Year. We would also like to thank you for your support this year during the construction projects and limited services early in the year. Now that the dust has settled somewhat, the Long-Range Planning Committee has begun to meet again. Because of Covid 19, supply chain issues, construction scheduling and permit approvals the long-range plan is about one year behind the schedule that was developed in 2018. The Long-Range Planning Committee and Finance Committee are now reevaluating the plans and making adjustments that make sense going forward. The major projects and issues that still need to be addressed are the back nine irrigation system, the pool and pool/ tennis building complex and funding sources to complete them.

In the meantime, the scheduled improvements to the golf course will continue this year with the completion of the replacing the front nine green side bunker sand and perhaps begin working on leveling tee boxes. Baked into the Long-Range Plan was also a dues increase schedule. 2023 is scheduled for the last 10% increase which will be used for major capital improvements going forward. The projected dues schedule was set up to average 5% dues increase over 10 years. We are still tracking at that pace.

From the Clubhouse

We were anticipating activating some new software programs on January 1st, but it doesn't appear that they will be ready to install in time. The first program was going to be a new tennis court reservation system that you could access through an app on your phone. Until the new software is up and running, we will continue with the current system provided thru the USTA. We will send out notices and directions once it is operational.

The clubhouse will reopen for food service beginning January 10th. Lunch service hours will be Tuesday-Sunday 11am-3pm. Dinner service will resume on Wednesday January 11th. Dinner hours will be from 5pm-8pm Wednesdays and Thursdays and 5-9pm on Fridays. There will be no food service on Mondays until later in the spring. The bar will be open daily from 10am-8pm. Fridays nights the bar will stay open until 10pm.

Clinics will resume on Wednesday, January 4, 2023.

Ever dream of playing college tennis? Here is your chance. Play doubles with an ISU men's partner against other JHCC/ISU teams in a round robin tournament.

The club will be hosting a fund raiser for ISU men's' Tennis team on Saturday, January 14th from 1-4pm. Eight (8) players are needed to donate \$100 for this new event to support ISU Tennis. Players (men or women) should be at least 4.0 rated but the 3.5 are ok if you think you can take it.

The club will provide a \$25 food credit for all the club players that participate with a \$100 food credit for the winners. We will also provide some light appetizers during the match for those of you that would like to watch some good tennis. No host bar service will be available. Any other contributions wouldn't hurt either. Maybe we can get the ladies team next. If you are interested in playing, please contact Syd and if you think you might come and watch, let her know also.

The club has begun a new search for a tennis pro. In the meantime, Oliver Good, the ISU men's tennis coach has agreed to provide private lessons or team clinics or just private clinics at JHCC. Lessons can be arranged directly through Oliver at 725-895-5853. Lessons may be held on court one during any unscheduled clinic time. Regular clinics will still be conducted by Syd just as before.

Happy New Year

We hope everyone enjoyed their Christmas and New Year's break! For those who were traveling we hope you had safe and pleasant travels.

We have taken a clinic break from Saturday, December 17, 2022, through Tuesday, January 3, 2023.

Clinics will resume on Wednesday, January 4, 2023. Syd and Sean will be running clinics through the month of January. There will be no clinics Friday January 6, 2023- Sunday January 8, 2023, due to Syd taking a family vacation for the weekend. We apologize for any inconvenience this may bring.

We hope everyone is off to a great start this new year and has a wonderful 2023. For those of you who have made New Year's resolutions we hope you are successful with your goals and aspirations. We can't wait to see what 2023 has in store for our tennis facility and tennis community. We are excited to see everyone out on the court this year and hope everyone has a great January!

Happy New Year! -Syd
